The Shelby Farms Parkway Advisory Team, the City of Memphis, Shelby County, and the Tennessee Department of Transportation invite you to meet...

THE SHELBY FARMS PARKWAY ADVISORY TEAM FOR A PUBLIC MEETING

This is the second of a series of public workshops. The focus of these workshops is to identify critical issues and concerns associated with improving safety and mobility in East Memphis while preserving the scenic, historic, aesthetic, environmental, and other community values of the Shelby Farms area. This public meeting will afford the public an opportunity to view and comment on two alternative concepts for the "Shelby Farms Parkway" between Walnut Grove to the South and Macon Road to the North. This public workshop also will feature a "question and answer" session from 7:30 pm - 8:00 pm for questions submitted in writing in advance of the session.

The Shelby Farms Parkway Advisory Team, representatives from the City of Memphis, Shelby County, and the Tennessee Department of Transportation will be available to receive your comments.

Written Statements and other exhibits may be submitted within ten (10) days after the meeting date to be included in the project transcript at the following address:

Project Comments
Public Works Division
Shelby County Government
160 N. Main Street, Suite 801
Memphis, TN 38103

We Need Your Input!

Tuesday, November 15, 2005
